

Walraven BISOFIX® MW Cold Clamp LD

(D0545)

for fixing insulated pipes with non-flammable hangers

Features & benefits

- for fixing of thermal isolated pipe of plastic, steel, copper or stainless steel
- non-flammable cooling pipe carrier with hard stone wool core and 2-screw clamp (Bifix® G2)
- with quick locking system
- a vapour sealed connection with pipe insulation can easily be made by use of self-adhesive, overlapping aluminium tape
- material: pipe clamp UltraProtect®1000 surface treatment
- material: insulation made of stone wool laminated with glass fibre reinforced aluminium foil
- silicone free; diffusion equivalent air layer thickness (sd value) > 1500 m; water absorption < 1Kg/m
- fire classification: A2-s1, d0 according to EN 13501
- melting point: Stone wool > 1000 °C
- temperature range: 0-250 °C wool side, max. 80 °C at lamination acc. to EN 14707
- fire tested clamps
