

## Walraven Yeti® 335 Support System

(I0410)

for Rooftop Installations

### Features & benefits

- modular supporting system for HVAC equipment, solar panels, walkways, pipe work, cable runs, etc.
- for flat roofs
- for horizontal and vertical applications
- 360° rotatable insert for Walraven RapidStrut® 41x41 or Walraven RapidStrut® DS 5 (41x52 mm)
- with non-slip anti-vibration mat
- mouldings made of WPC, a composite of recycled plastic and wood fibre
- resistant to UV and chemical influences
- made from 93% recycled material
- noise reduction according to DIN EN ISO 10140-1 and DIN EN ISO 10140-3 up to 31 dB(A)
- UV-resistance according to EN ISO 16474-3:2014-02 - certified by ITB
- For a detailed calculation and for support how to spread the load please contact Walraven Technical Support.
- In cases where a foot is used in roof applications, the installer is obliged to verify maximum load capacity of roof before installation.

| Productnumber    | Model                 | Total Width | Total Length | Total Height | Height |
|------------------|-----------------------|-------------|--------------|--------------|--------|
| Reference Letter |                       | W           | L            | H            | h      |
| Unit description |                       | mm          | mm           | mm           | mm     |
| 67685201         | Horizontal / Vertical | 335         | 335          | 96           | 12.5   |
| 67685302         | H-Set without rail    | 335         | 335          | 96           | 12.5   |
