

Walraven Hexagon Thread Adaptor

(K5531)

adjustment of thread connection

Features & benefits

- easy installation, even with a hexagon nut, which is fully covered by the adaptor
- the smart design prevents conflicts between threaded rod and 1/2" threaded tube
- time reduced installation in combination with 1/2" threaded tubes and clamps
- max. tightening torque defined by the used anchoring product
- material: steel
- zinc plated
