

Walraven Pacifyre® M Pipe Wrap

(U0440)

Fire protection Wrap for insulated metal pipes

Features & benefits

- No tools, drilling or extra fixing materials needed
- Suitable for damp conditions
- Only 1 roll for many penetrations
- Simple to install: place the roll around the stretched insulation (please take into account the number of layers required!) slide into the construction, finished
- Small number of layers, therefore applicable in areas of hard accessibility
- Minimum space required
- If desired, no gap is required between the pipe jackets
- High flexibility due to self-adhesive strip
