

Walraven Pacifyre® AWM II+ Fire Collar

(U0430)

Innovative fire collar for complex installations of plastic and multi-layer pipes pipes

Features & benefits

- Zero distance is possible between fire collars
- Built-up fire collar for plastic (combustible) pipes and pipe systems. For apertures in walls (solid walls or flexible walls) and floors with fire protection
- Installation of elbows, pipe couplings or branch pipes into the wall or, directly in, or under the ceiling is possible
- With a fire resistance up to EI 120 U/U
- Installation of telecommunications pipeline or protective piping with up to 2 cables is possible
- The use of PE noise insulation hose up to a thickness of 4 mm of composite natural rubber insulation to a thickness of 43 mm is allowed
- Tested and approved according to EN 1366-3
