

Walraven Sista F130 Connection joints-Acryl

(Y3005)

an acrylate sealant for connection joints subject to low expansion stress indoors and outdoors

Features & benefits

- low-load connection joints indoors and outdoors
- elastic acrylate sealant (zgV:12.5%\*)
- good paintability
- meets DIN EN 15651-1: F-EXT-INT
- good adhesion properties on most common building surfaces
- also adheres to damp, absorbent surfaces without a primer
- easy to spray out
- low odor
